

IQAC Report -2020-2021

Amidst the times of pandemic IQAC was keen in supporting the quality of education to support the virtual mode of teaching. The committee planned for virtual Workshops, Guest Lectures and National, International Webinars. The effectiveness of virtual education was well utilized during this pandemic that replaced some of the disadvantages of the physical classroom teaching. The committee planned the required and relevant sessions for both the students and the faculty to cope up with the unprecedented times.

Give below are a gist of the workshops, seminars, guest lectures and webinars organized.

- The department of English organized a faculty development programme on 'Orientation on Organizing a Webinar' on 2nd July 2020 and an International webinar on 16th July 2021 on the topic 'Digital Addiction'.
- The department of Management organized a faculty development programme on 'Skill Development training on Virtual Classes' on 21st July 2020. The department also organized a 3day workshop for students on 'Diversity and Composite Culture' from the 30th of November to 2nd December 2020.
- The department of Psychology organised an International Webinar on the 4th July 2020 on the topic 'Rewiring the mind by building resilience and post traumatic growth at the time of our biggest life challenge'.
- The department of Economics organized an International webinar on 31st July 2021 on the topic 'Impact of Foreign Direct Investment on Economic Growth'.
- The department of Computer Applications organised a 2hour Hands-on Workshop on 'Python & Project 'on 30th June 2021 in association with Alpha Tech Academy.

To be updated with the changing facets of education, many of the staff members actively participated, presented and published research papers in State, National and International Seminars.

- Mrs. Sadia Tarannum, Head of the department of Management published 2 papers one on 'Digital Marketing 'in the International Journal of Research and Analytical Reviews and another paper on 'Virtual Teaching & Learning in Pandemic in 2020' in the 'Journal of Education': Rabindrabharti University.

- Dr. M.S Gayathri Head of the department of Botany presented and published a paper on 'Evergreen Plants are the best option for Bangalore Roads' at a National Symposium organized by GFGC, Vijayanagar. She also presented a paper on 'Coastal Grasses of Andhra Pradesh' at a state level symposium at KLE Society, Bengaluru.
- Mrs. Darly , Lecturer from the Dept. of Management published a paper on ' An Empirical study on Farmers' constraints in marketing to organized Retailers' in IOSR-JBM (Journal of Business& Management).
- Dr. Lydia Glory, Assistant Professor in the dept. of English received her PHD Degree in the year 2020-2021.

The IQAC ventures to propose several such programmes for students and faculty to enhance both offline and online teaching approaches.
